Insight

- Hybrid Bikes has the largest share of venue.

=> Core product with high price and high demand.

- Cruiser leads #1 in volume.

=> High demand at a moderate price.

Conclusion

Hybrid Bikes is the top revenue contributor, a flagship product. Cruisers lead in unit sales, suggesting high demand at lower price points, a mass-produce product. Inventory and marketing strategies should prioritize Hybrid and Cruiser models, with different pricing and promotion strategies to maximize both revenue and volume.
